### Kevin Robert Perry

Kevin Robert Perry's innovative stormwater projects blend art, education, and ecological function. His projects have been featured in Landscape Architecture Magazine, Stormwater Magazine, and in the City of Portland's "Landscapes for Rain: The Art of Stormwater" exhibition and he has also received national American Society of Landscape Architects Awards of Honor multiple times. Kevin received his B.S. degree in Landscape Architecture at the University of California, Davis and is now a Stormwater Design Specialist at the Portland-based landscape architecture firm Nevue Ngan Associates.

Kevin's award winning projects can be viewed at:
