

## **POSITION ANNOUNCEMENT - 09/27/04**

### **Landscape Design -- Intern -- Woodland, CA**

**Experience Required:** Student currently studying Landscape Architecture or Design, or a recent graduate.

**Registration:** Not required

**The Company:** TCLA Design is a small home-office based landscape design firm located in Woodland. We primarily serve residential customers and occasionally work with industrial and commercial brokers. We provide a diverse range of landscape architecture services including:

- landscape design advice and consultation,
- conceptual plans, elevation drawings and renderings for client presentation,
- construction drawings, primarily planting, irrigation and lighting plans, and
- cost estimates.

**The Position:** Successful applicant will assist with preliminary design, fieldwork, rendering and final site plans. They will work at the home-office and will also assist with marketing activities, phone calls and other minor office tasks as they arise. Applicants must be motivated to grow professionally, be willing to learn hands-on landscape design skills both in the field and in the office and possess good design and graphic abilities. Candidate will also have to provide their own transportation to and from the home-office.

We offer a casual work environment and the hours are flexible. Compensation will be commensurate with experience and talent. The estimated work hours are 8-15 per week.

**Education Requirements:** Either an accredited degree in Landscape Architecture or working towards your Landscape Architecture or Design Degree.

**Fax Resume to:** Tim Cunnane, RLA # 3552
