

Paid Internship

G.C. Wallace Companies is a multi- disciplinary engineering, planning and surveying firm with offices in Sacramento, Las Vegas and Reno, Nevada. The GCW land planners work on exciting projects in the Sacramento region, Central Valley and Nevada. We work in a creative team environment with a proven track record of successful master planned communities, preparation of Specific Plans, Design Guidelines, innovative site and neighborhood designs.

G.C. Wallace of CA Sacramento office is currently recruiting a creative and energetic student for a part-time internship with the possibility of full time employment upon graduation.

Description of Position:

The Planning Intern position requires current coursework in Planning, Landscape Architecture, Geography or a related field. The Planning Intern responsibilities include assisting Land Planners/Landscape architects in residential, mixed use and commercial site layouts, zoning research, entitlement application preparation and coordination with in-house engineering and surveying staff. If you have a portfolio of your work, please include it with your cover letter.

- Junior or senior status preferred
- Autocadd skills, Photoshop, Excel and traditional sketching/drawing skills are a plus!!
- Hours –negotiable, range of 16-20/week
- Compensation- negotiable, competitive

G.C. Wallace Companies is committed to exceptional client service and thinking outside the box to solve complex problems. If you'd like to work in a fast-paced, fun, team-based environment where you can achieve your professional goals, come talk to us. GCW offers competitive compensation and opportunity for growth.
