

University of California, Davis
Landscape Architecture Senior Projects 1984-2004

2004	
Jefferson Birrell	Recovering Lost Space. The Use of an Irrigation Canal in Woodland, California as a Trail, a Feasibility Study
Christine Carstens	Ecological Agriculture: A Saratoga Vineyard
Vanessa Galindo	The New Urbanism and The "Big Box": Addressing Income Diversity Issues in Revitalized Downtowns
Olga Garzon	Along Putah Creek: Creating Links Between a Community and Restoration Professionals to Enhance a Section of Putah Creek
David Guzman	The Guzman Residence: Design Ideas for the Do-It-Yourself California Gardener
Justin Hiraga	A Petunia for Your Thoughts: Redesign of Chancellor Place Assisted Living Facility's Garden to Increase Mental Awareness and Alleviate Symptoms of Dementia
Jessica Ho	Arboretum Tours: Variables that Affect Student's Retention Levels When on UC Davis Arboretum Tours
Tyler Jarvik	Nonstop Block Party Cookout: Reclaiming California's Underused Suburban Streetscape for Retrofit Cohousing
Julie Leung	The Yolo County Historical Museum Garden in Woodland, California: Conduct a Hypothetical Historical Research Landscape Project
Jennifer Lui	Analysis of San Francisco Bay Trail
Dave Marcoullier	Mosaics: An Ancient Art Form in the Landscape: Past, Present, and Future Uses of Mosaic Art in the Landscape
Alyssa McLean	Restoring a Natural Riparian Forest Remnant
Paula Parmelee	Fair Oaks Greenway: Creation of a Multi-Use Path to Connect Fair Oaks Park, Village Park, and the American River Parkway
Jason Pelaez	The Other Spaces: Perceptions and Uses of Selected Davis, California Side Yards
Jennifer Ruloph	The Evolution of Camping: How have the Advancements of Camping Gear and Technology Effected the Campers Connection with Nature?
Eva Schlanger	Improving High School Landscapes: Discovering Landscape Preference Differences and Creating a New Design Which Improves Campus Landscape Experiences for Both Groups
Jonathan Schwartz	Fletcher Bowron Square: A Case Study of a Blighted Civic Square
Cailin Starks	The Great Design: Spaces of Death
Nathan Stephens	Willits Past Present and Future: A Case Study of a Small Northern California Town
Ruth Williams	Easy as Aquilegia, Baccharis, Calystegia: Design and Installation of the Elkhorn Village Elementary School Garden with Advice for Low Maintenance School Gardening
James Williamson	Solar Powered Bolt-On Transit Shelter Upgrades: Low Cost Shelter Upgrades for Smaller Transit Agencies
Victoria Wilson	A Site for the Blind: A Study of the Outdoor Urban Navigational Needs of Blind or Visually Impaired Adults and the Integration of those Needs into Proposed ADA Standards for Accessible Design
Heather Winton	The Reuse of Landfills for Recreation - Case Studies

2003	
Jennifer Bucsis	Successful Therapeutic Gardens: Identifying the Elements and Design Processes of Three Successful Therapeutic Gardens in California
Bart Van der Zeeuw	Urban Streams: Revealing Artificial Waterflow in Urban Aquatics Systems
Akie Fukushige	Human behaviors towards trash in public open place: Psychological and Sociological aspects of site maintenance
Marlies Nagl	A Case Study of Community Participation: Knights Landing Community Playground: An evaluation of the design process and outcome by the community
Paul Maksy	Restoring California in our own backyards: Creating a sustainable landscape in the suburban neighborhoods of California's central valley.
Kathleen Kolman	A model for long term community participation in design, installation, maintenance, and use of community openspace: A study of the ongoing development of the community park at Knights Landing, California, to determine the most successful methods of community participation in phase two of the design development, installation, maintenance, and use of the park adjacent to the elementary school.
Wayland Li	The Value of 3-D: A Quantitative Study to Determine the Practical Application of 3-D Modeling Software in the Profession of Landscape Architecture
Lina Duong	UC Davis Arboretum Fall Tour: Create a Native-American Self-Guided Tour with Interpretive Signage and Inquiry-Based Learning Assignments
Renee Lucena	Concrete Terrain: Skateboarding as a Recreational Reinterpretation of the Urban Landscape
Jill Van Horn	Waikalua Fishpond Redesign: The restoration of a cultural, ecological and physically unique site
Mike Churchill	Designing a community garden for UC Davis students in family housing. Designing a community garden for student family housing on the UC Davis campus: Discovering what the residents of Orchard Park prefer (in terms of design and use) through the design process, preference studies, and community planning.
Leith Carstarphen	Sustainable Landscape Architecture in the SF Bay Area: Case Studies of Successful Projects

Matthew Strader	Questioning the Meanings of a Monument: A study of the meanings of Alcatraz Island and a search for design solutions to give expression to under-represented, yet significant meanings.
Khai Tran	Ponds in Residential Landscapes: A comparison of attitudes, beliefs and practices of different cultures regarding healing properties of water
Maggie Macioge	Billboard Images: Cataloging Popular Culture in the American Roadside Landscape.
Stephanie Balsdon	Sustainability in the Golf Course: Successful Methods in Implementing a Sustainable Golf Course in California
Vinita Huang	Lowland Gorilla Habitat and Exhibit: Defining Future Goals in Zoological Design for Landscape Architects
Kirsten Johnson	Ski Resort Villages: What qualities contribute to user satisfaction?
Susan Infalt	Creating Giant Garter Snake Habitat: Identifying and Applying Design Guidelines for Creating Perennial Marsh Habitat for the Giant Garter Snake
Johnna Brooks	Historical Landscape Preservation: The discovery, analysis, interpretation, nomination process, conservation, protection, and management of historic objects, sites, and structures in the landscape, in Dunsmuir, CA.
Rusty Case	Designing for Security: Enhancing security around public buildings in the downtown without compromising their aesthetic qualities.
Georgia Leung	Human Places, Dog Spaces: Design guidelines for Urban Dog Parks
Mark Campos	The Campos Residence: Case Study of the Myers-Briggs Personality Indicator in Residential Landscape Architecture
Matt MacLeod	Japanese Gardens and Cognitive Response: An Investigation into Psychological Manipulation Through Design
Anne Dain-Owens	The Affects of Language on the Perception of Landscape - Using American English and French (France) to demonstrate that there exists a significant cache of specific semantic differences between each language that express different concepts, respectively.
Tracey Jones	Landscape Design Within Natural Systems - The Anderson Residence, A case study in Boulder, Colorado

2002	
Chris Alford	Waking the Village: Designing Sustainable Community for People & Place
Linda Bradley	Question of Individual Privacy within High Density Design
David Campbell	Landscapes of Empire: A Typology of Power Display
Natalia Celuch	Energy Efficient Residential Landscape Designs
Adam Crocker	Right at Home: A Site Guide to Successfully Designed Urban Landscapes for the West Coast Region
Heather Dean	Black Dragon Brewery
Jon Dykhuizen	A Solar Student Village at UC Merced: Climate Control and Energy Conservation
Dawn Einwalter	No Monsters Next Door: Solutions to the Issue of Mansionization
Rebecca Farrington	Playgrounds for Kids
Kevin Fuselier	The Nature of Golf Course Design
Drew Goetting	Alternative Flood Control
Rachel Guedon	Sightlines: Local Views of Landscapes
Szu-Yu Huang	Open Space in Daily Life: Cultural comparisons in two cities
Josh Huttle	Design/Build at UC Davis Landscape Architecture Program

Courtney Ishii	The Giant Garter of the Natomas Basin: Design Solutions for Restoring Suitable Habitats
Bill Lane	Genus Loci: Fusion of Nature & Culture
Patrick McEnany	Wildcat Creek Improvements: Concept Planning for a Greenbelt
Aric Merolli	Graffiti in the Landscape
Shona Metzler	Identifying what captures imagination in landscapes of fantasy literature
Amy Mitchell	Making Space for Community: A New Vision for a Texas Shopping Center
Jeffrey Nittka	Creating a Master Plan for Orchard Park
Jason Ortega	Homelessness in the Landscape
Cathryn Rose	The Art of Landscape Architecture: Value in Hand Rendering
Aimee Ruskewicz	Still Remains: A look into distinctions between what is built and what is natural
Maya Sepulveda	Centro Las Animas, Chile
Lynelle Springer	Historic Garden Restoration at South Lake Tahoe
Skye Stekoll	Bear Education & Animal Rehabilitation Sanctuary
Charles Thomas	Arcade Creek Survey & Restoration
Erik Watkins	Computer Model vs. Public Opinion
Xiao Xiao (NOT SUBMITTED)	Structure and Space Arrive in China

Susie Yager	Introducing High School Students to Landscape Architecture: A Curriculum
Susan Yau (NOT SUBMITTED)	A Critical Analysis of New Urbanism Projects in the Bay Area

2001	
Erik Billing	Petaluma Residence - Building & Landscape Design
Jonathan Bort	Upper Truckee River Restoration Visualization
Meredith Branstad	Between the Dams: Creating the Putah Creek Discovery Corridor
Lisa Bui	Nightscaping: a Lighting Design Guide
Louise Chau	The UCD Quad: A Behavioral Study and Conceptual Plan
Jin Cho	A Sustainable Parking Lot
Laura Cucco	Getting Disconnected: A Look at How Cellular Phone Use Affects Our Relationship to the Landscape
Brandon Devine	Held to the Earth: The Story of the Yolo County Helvetia Oak Preserve
Erica Drew	A Static Scape for Loose Land: A Park Design Inspired by Geology and Informed by Cubism
Michael Dutch	Reality Park: Design Transition From School To Work-Place
Maggie Edelstein	The Victorian Garden in Vallejo, CA: A Guide to Understanding & Re-Creating Period Gardens
Alyssa Elliott	Native Plants in the Central Valley: A Design Guide
Janice Ellis	The Calming of M Street
Ben Green	A New Lease on Land: Integrative Land Use Design Sustains Human Development

Carrie Greenberg	Swamp Creek Re-Vegetation, Libby, Montana
Amelia Herndon	Yolo County Grasslands Regional Park: Preliminary Master Plan
Amy Kesler	The Outdoor Sanctuary
Peter Larimer	Living Above the Coffee Shop: the Redevelopment of the Main Town Center of Davis, California
Jennifer Lau	Creating Culturally Sensitive Open Spaces
Amy Lee	Transportation for a Livable City: the Sacramento Region
Anthony Mendoza	The Town of Jackson: A Redevelopment for a Growing Mountain Community
Nalani Ngoon	A Reflection on War and Peace: The Roseville War Memorial
Laurie Nichol	Valley Transect: A Landscape Commentary
Kristina Perkins	Master Plan for Twin Pines Housing Community, Davis, California
Toby Perry	The California Grizzly, Again? A Habitat Study Using GIS
Arleen Powlesland	Bringing Landscapes to Life: The Art of Planting Design
Gary Rasmussen	Craft and Innovation: Design From the Fringe
Lara Rush	Parking Lot to Plaza: A Gathering Place for Tehachapi, California
Daniela Tavares	Urban Teens' Borderland Space: An Environmental Assessment
Michael Valine	Destinations Worldwide: The Affects of Tourism on Small Cultures

Bryan Walker	Mongolia in Sacramento: A Culturally Inspired Solution to a Sensitive Local Landscape
Hsin-Hung Wu	Confronting Prosperity: Taipei Neighborhood Planning for the 21st Century
Ernest Wuethrich	Screaming for Change: A Redesign of the Davis Skatepark

2000	
Traci Barnett	Residing Systems: A Sustainable Approach to Campground Design
Sally Bartindale	Planting the San Jacinto Parkway: Integrating a Stormwater Detention Area and its Surrounding Greenbelt into the Urban Fabric
Steve Benes	Grande Commons - An Exemplary Infill Community
Stephanie Bersch	Farmland To Dreamland: An Appropriate Residential and Equestrian Design for the Grace Property.
Mark Brandi	United States": The History and Future of Landscape Ethics in America.
Shannon Brawley	The Cache Creek Nature Preserve gathering garden; a planting design which will help to facilitate awareness of traditional management and harvesting practices of local Native American basket weavers.
Christine de Chutkowski	With Our Roots in the Earth: Integrating Residential and Agricultural Land Uses as a Way of Reconnecting 21st Century Man to the Natural World.
Mary Ann Dragotto	Clear Creek's Brookdale Lodge: An Ecological Restoration and Mixed-Use Plan
Luke Griffith	An Open Space Planning Methodology for the Lower Sacramento and Putah Cache Region.
Jillian Hultgren	A Redesign of the Front Entrance to the Hotel Playa Mazatlan.
Laurie Hunter	La Maison de Trois Chats: A Re-design of 1728 Sycamore Street and Analysis of Personality Types
Bliss Kincaid	Polar Bear Habitats in Public Zoos: Guidelines for Improving Physical Zoo Settings to Respond to Critical Biological and Social Needs of the Animals.
Shelby Kniesel	A Tuscan Garden for El Dorado Hills.

Stacey Kwok	Saving Yesterday's Water for Today's Uses: Exploring Aspects of Using Recycled Water on the U.C. Davis Campus.
Kara Leong	Designing the F.A.R.M. (Future And Reality Meet) Development Plan for a 40-acre Diversified Agricultural/small Business Management/ecotourism Training Facility.
David Liu	Redesign of the Auto CAD Interface for Beginners.
Dominic Lopez	A Study of the Urban Landscape as Experienced through Automobile Travel.
Kevin Ly	A Case Study Method for Landscape Architecture: An Electronic Publication
Helen Maderazo	Sustainability for Existing Residential Sprawl.
Marie Mai	Placemakers: Transforming Urban Space into a Common Place.
Audrey Mathews	Within the Walls: A study and redesign of courtyards at the University of California, Davis.
Ryan Michalak	Within the Walls: A study and redesign of courtyards at the University of California, Davis.
Andra Mulhaupt	A Natural Connection: East Davis Slough.
Tom Nash	The Historic Landscape Interface: A Test of the Effectiveness of Subtle Computer-Based Interfaces in the Analyses of Historic Landscapes.
Traci Peddicord	Modeling the Progression from Environmental Disaster to Ecological Stewardship along the Upper Sacramento River.
Scott Reeves	Enhancing Web Design to Improve Communication.
Sarah Richards	Central Valley Trails: Issues & Solutions.
Gerrie Robinson	This Old Garden: An Appropriate Historical Design for This Old House.
Paul Stevenson	A Case Study of Lobos Dunes. Presidio, San Francisco.

Robin Tu	Coyote Hellyer Park Master Plan: The need for a new improvement.
Jennifer Wait	Baby Boomers Heading Towards Retirement: Potential Lifestyle Changes in the Retirement Community.
Peggy Wu	Elements of Design in Effective Internet Communication for Landscape Architecture Firms: Determining the Most Function and Aesthetic Means of Design.
Mieko Yeh	The Immigrant Landscape.

1999	
Sam Arintok	Solano Community College Children's Program Toddler Yard: Designing a safe and Challenging Environment
Cynthia Arnold	Horticulture Therapy: The restorative benefits of the natural environment for all people, especially those suffering from an illness
Sheri Cameron-Rain	Infiltration Ponds and Their Application at Brannan Island State Park: A Study in Ecological Handling of Urban Runoff in the Windy Cove Site Design
Julie Conrad	The World Outside: A design for an outdoor play environment that will encourage the social and physical development of preschool age children while providing an arena for behavioral research
David Contreras	A Streetscape Study in Downtown Sacramento
Tom Costamagna	A Suburban Landscape Problem
Ken Doty	Protecting Mather Lake: Wildlife in the Mather Regional Park: A Master Plan for the Mather Lake Wildlife Preserve
Patti Edson	Actinorrhizal Plants of California-The Native Nitrogen Fixers
Dan Ferandez	Maintaining Artistic Landscape Design in an Otherwise Practical World
Hope Fidziura	The Stolpman Property Overview: Gourmet Olive Oil Production
Gabriela Gamino	Landuse Analysis to Locate a New Town in Yolo County
Leah Hickey	A Graphic Analysis of Design Concepts Defined in Recent Parisian Parks and Applied to a San Francisco Site
Anyi Huang	Study of Streetscape Layouts in High-Density Areas

Will Inglis	Grant High School Stadium Beautification Project, 1999
Bart Ito	Turk and Hyde Park: Playground in the Tenderloin
Yatying Lai	
Kam-Hung Lee	A Guide Line for Sustainable Community Design in the Putah Creek Bio-Region
Cathy Mathews	Nathanson Creek Restoration Plan: A survey and analysis of existing site conditions and sample of user preferences and a preliminary trailway design and restoration plan based on the survey and analysis
Steve May	Adventures in Student Gardening
Brian Morgan	Planned Communities: Synthesizing Successful Ideas with New Ideas
Scott Nannini	A Bioregional Land Use for the Yolo Bypass
Holly Nelson	Adaptive Re-use
Temoor Noor	Children in the Garden: Research on Specific Behaviors of Children in a Garden Setting vs. A Classroom Setting
Aaron Parr	A Comparison of Traditional with Bioregional Planning Methodology: Allcation and organization of wild space in the Sacramento Valley Bioregion
Kristin Personett	The Solution of shelter: The Design, Construction and Implementation of Portable Housing Units Designed by and for Homeless Individuals
Charles Richison	Contra Costa Boulevard Retail Business District Improvement and beautification Guidelines for the 21st Century
Eric Roberson	Boathouse Design: A Proposed Design for the Site of University of California, Davis Crew's Boathouse at the Port of Sacramento, West Sacramento, California
Michael Shular	Outdoor Play Areas for a proposed Montessori School in Sacramento, California

John (Jay) Suesens	A Model of Successful Elements in Public Plazas
Jim Sullivan	Monitoring Riparian Revegetation Projects
Kim Takaki	
Jane Talbot	Restoration of the Crosby Mansion Site in Brewster, Massachusetts: The Development of a Master Plan for a Historic and Critical Waterfront Site
Justin Ware	Cesar Chavez Plaza Redevelopment
Greg Wysong	Plants with Biblical Symbolism in Design: Redesigning the Landscape Masterplan for the First Baptist Church of Davis

1998	
Mary Lee Bedard	In Search of the Source: A Wellness Garden
Jean-Paul Bergez	Landscape Design Alternatives: Creative solutions to common residential landscape design problems in Davis
Arthur A. Brito	Waiting for the Bus: Redesign of Transit Terminals and Bus Stops
Alexandra D. Chavannes	Model Farming in the Central Valley
Christopher M Corbett	Freeway Development: Its Affects on City Identity and Principles of Better Design
Del Deletetsky	Building Livable Communities: A policy maker's guide
Heidi Frank	Wastewater Treatment in Developing Countries
Mathew N. Funk	Transit-Oriented Development on 65th Street Infill Development
Charles Gardella	Preserving an Image in the Mother Lode: Helping preserve the small town of Sutter Creek, CA
Jacob L. Gilchrist	Redefining Richmond: Coping with the end of industrial California
Corinne Marie Hartnett	Design Principles for Sustainable Communities
Tsuguaki Hirowatari	Sacramento Garden and Art Center Design: Plants and art in landscape
Andrew M. Johnson	Environmentally Sensitive Design: Landscaping Guidelines for Davis, California

Celine Q. Livengood	Northridge Water District's Water Efficient Demonstration Gardens: Design Alternatives for Water Conservation
Deidre Lucas	Fisher House Healing Garden
Nicolas Kideki Morin	Determining the Effect of Commercialization on the Identity of Place
Michael Arriola Padilla	Visual Design: A landscape plan for the Delta Diablo wastewater treatment plant
Gayle Totton	Nimbus/ American River Fish Hatchery Native Plant/ Streambank Restoration Visitor's Center Enhancement Project for the California Department of Fish and Game
Michael L Tran	Robla Community Park Master Plan
Duane Jon Than Tut	Landscape History of Roosevelt High School, Los Angeles, California
Erick Vierra	Davis Ecological Golf Course Expansion
Karen Walker	A Design Approach for a Regional Signature on the Landscape
Sarah Washburn	Unique Places Common Spaces: Art scape ideas to break the suburban mold
Chris Weiss	People and the Marin City USA Project

1997	
Seniors Diana Hershe and Travis Frye each received a 1997 President's Undergraduate Fellowship Award for their senior projects.	
David Ahn	Graphics in Me and Me in Graphics
Jennifer Clark	Courtyard Healthcare Center Gardens
Angelo Claudio	Natural Behavior
Sheri Fischer	A Landscape Master Plan
David Foster	Artists Retreat in Stanislaus National Forest
Patrick Haughey	Everything in Between: the Landscape Architects Travel Companion
Diana Hershey	Quarry Reclamation in Yolo County: Ecological Field Methods applied to Reclamation Design
Carl Jensen	Redesign of the Highway 113/Interstate Vernal Pool Project
Erin Megan Jones	The Monterey Bay National Marine Sanctuary Scenic Trail: Natural Resource Inventory
Tess Lispi	Web Site for a Pro-Active Community
Stewart McCord	Designing for Urban Vitality: the Sacramento Downtown Ballpark
Mark McManus	City of Jackson Downtown Parking
Bret McMichael	In Between the Crack - Recognizing the Void.
Circe Mirano	Design for the Los Angeles County Natural History Museum Complex

Tuan Ngo	Feng Shui Principles
Cam Tran	Design Inspired by Japanese Gardens
Lai Tran	A Traveling Garden
Jahalel Lee Tuil	An Exploration of Regional Place: the Bioregion
Michael Wall	Earthscapes: a Symbiotic, Multi - Use Garden Resource Center
Derrick Yuen	Down to Earth: Research on Current Practices in Sustainable Agriculture

1996	
Rochsong Thomas Bishop	From Trail to Garden: Bringing nature into your private paradise in the sierra cascades
Aaron Richard Bock	The Diablo Valley: Subregional study, past, present, and future
Andrea Joy Carlassare	Invincible Summer: Examining therapeutic landscape & mental illness
Ron Cheung	Cultural-Sustainable Alleyways
Samantha Tsung-Pei Chu	Downtown K Street in Perspectives: An urban streetscape study
Michael Duran	Laguna West: An adaptive redesign
Stephanie (Fiske) Alladin	Christchurch Competition Gardens
Rita Ann Frink	Creating Connections: The South Tahoe greenway
Alison Griffith	Deeper Than Green: The UC Davis Arboretum sustainable landscape garden and visitor center
Timothy Hebner	Wastewater, Recreation and Sustainability: A conceptual design for the Davis water pollution control plant
Vance A. Goss	UC Davis School of Veterinary Medicine Tribute Garden Project
Erik Andrew Heiberg	Fairview Senior Community: An exercise in community planning and design
Julian Inchaurregui	Open Space Development Guidelines For the Lake District: A commemorative landscape master plan for the center for the arts

Jacob Paul Mann	Realize the Landscape: An exploration of the sense of place
David Ronald Moffatt	Cottonwood Slough Wildlife Refuge & Integrated Resource Management Plan
Angela Lynne Moskow	The Contributions of Urban Agriculture in Havana, Cuba to Individual Control and Community Enhancement
Duc Minh Ngo	Site Planning for Charter Elementary School, Carmichael
Darrin Steven Nordahl	Visions and Reflections: A monument dedicated to the UC Davis "life member" alumni
Debra Lynn Olson-Suarez	The Central Valley Trail: A conceptual plan
Timothy Patrick O'Shea	Davis Tilth: A local compost project building fertility and community
Stephanie Marie Pearson	A California Garden for the Davis Arboretum
Kevin Robert Perry	The Yolo County Landfill Closure Project: A multi-use golf and wildlife complex
Linda Carol Roberson	Diluted Realism: The Postmodernization of community planning: a critical analysis of New Urbanism
Eric Martin Rowell	Convergences: A fusion of cultures
Pamela Lynn Smith	A Demonstration Garden: An Experiential Model
David Joseph Steinbauer	East Sacramento Butterfly Corridor Project
Quoc Tu Tran	Establishing Roots in South Sacramento: Open space proposal for the Overseas Chinese Community Center
Matthew Charles Weber	Landscape Architecture: The reality of learning through experience
Tin-Wah Wong	Parking Lot Shade Study: A critical examination of Davis parking lot tree shade

Allison April Yamamoto

Taking New Steps Into Downtown: The cross street streetscape enhancement

1995	
Scott Martin Blair	Improving the Pedestrian Environment
Jimmy Chan	Running Water: Environmentally Sensitive Water Fountain Design
Karen Davis-Brown	An Instructional Guide for Outdoor-Community Educational Project
Cara Day	Framing Agriculture: A Portrait of a Vineyard
Brian Emery	Alternative. Regenerative. Cooperative. Housing: A new cooperative housing design for the students of U.C.Davis
Mark Fellingner	West Davis Pond: A Critique and Redesign
Marc Gabrys	Cemetery Planning: A Memorial Park Concept
Rizaldy Gache	Graffiti On The Landscape
Jeffrey Hausman	Site Planning for the University of California, Davis Equestrian Center Long Range Development Plan
Pamlyn Hill	Play Garden for High-Risk Children: Magical Children of the Wisdom Project
Jeremy Laurentowski	Willow Slough Restoration
Frederick D. Leary	Landscape Myths
Michael Brian Lee	Motion Video Simulation: Exploring Methods

Steven David Ligon	Centennial Park: Horse Creek Restoration Project
Rebecca Gastman Lillis	Making Connections in the Community: A Proposal for an Open Space Network for East Sacramento
Dennis Murray	An Educational Master Plan: The Child Day School, San Ramon, California
Ken Murray	Balancing Conservation & Development in Yolo County
Alice Nakaoka	The Healing Garden: Promoting Reflection in Individuals Living with AIDS
Michael Oldag	Comparison of the Goals of the Rocklin Civic Center and the Rocklin General Plan
Timothy Ho Rechin	Toomey-Field Stadium
Baird Renneckar	Agricultural Buffer Zones: Addressing the Urban Edge
Lori A. Richardson	Portrayals of Suburbia in Rock Music
Paul Robins	1: Private Land- Common Ground
John Joseph Sims	Learning the Landscape through Pathways
Aimee Van Dam	Experience of Nature: Bringing Nature to the City

1994	
Mary Brown	Redesign Recommendations for Tahoe Park based on Environmental Behavior Analyses and Community Participation Methods
David C. Chang	Design with Culture
Donna J. Davis	Urban Crowding: a design perspective
Christopher Elliott	Rodgers Pit: Reclamation Alternatives
Richard D. Elmy	Place-Planning: An Approach to Sustaining Cultural Form and Sense of Place in the Rural Landscape
Matthew Farrand	Marketing & design tools for retail garden centers
Andrew Mark Fulks	Hangtown Creek Riparian and Recreational Area: Design Guidelines for the Restoration of the Hangtown Creek Urban Stream Corridor, Placerville, CA
Sandra Ezzell Garner	Restoring Urban Utility in Martinez, CA
John R. Gibbs	Mono Village Design Study
Danny C. Kwan	UCD Domes II: A Prototype of an Energy-conserving Neighborhood
Robert Lee	A Vision of the Sustainable Neighborhood
Paul Nichols	Sustainable Residential Design
Jeanne Slaughter	The Grimshaw Residence: The Interacting Design Process Between the Client and the Landscape Architect

Francis Tam	Design Guidelines for Intermodal Transit Stations
John Tarahteeff	Aesthetic Experiences in the Landscape, a search for Patterns

1993	
Mark Abbay	Tahoe Keys Demo Gardens
Rosemary Alex	The Importance of Regional Identity
Eric Anderson	Eco-Links: An Ecological Golfing Experience
Enrico Bariani	Layers: A Temporary Memorial to Columbus and Jefferson
Thomas Beebe	Creating Mountain Bike Recreation Area
Kia Buford	Making Space for Women
Don Carmickle	Transportation Alternatives/Urban Parameters
Christy Carr	Bridging the Gap
William Chapman	Back to Basics
Mark Childs	Scenic Highway Evaluation Criteria
Daniel Delano	Shadows of Art
Lia Farley	Cemetary Landscape
Carrie Fountain	Ovidia: A Cultural Garden Tour

Donna Fraogoso	Landscape Development Guidelines: County of Yolo
Darren Goon	Rio Vista Industrial Park
Suki Herman	Interpretive Trail Design
Robert Heewitt	Dreams and the Landscape
Laura Ivey	Landscape and Art: Fusion
Darren Kuhnau	Warehouse District: A South of Market Case Study
Roy Majoe	Davis Gateway Project
Miya Matsura	555 Ellis Street: Garden Design
Corey Parker	Park Sites on the Sacramento River
Jeff Pietrzak	Transit in the Southland ...Where's it Going?
Russ Roth	The Vannucci Residence: An Italian American Garden
Jenn Shaw	Oakland Zoo Siamang Exhibit
Andrea Teranzio	Magnolia Manor Reservoir Replacement and Redesign
Adrienne Thompson	Striving for the Genderless Environment: A Course Proposal
Tran Tung	Explorit! Masterplan for the Davis Science Center
Andrew Wong	A Classification of Landscape Design

1992	
Mark C. Abbay	Tahoe Keys Demo Garden: A Garden for the People of Tahoe
Magnus Bernhardt	A Visual Assessment and Visitor Evaluation of Stebbins Cold Canyon Natural Reserve
Beau B. Beza	Placerville
Michelle A. Bond	Russell Ranch: A Historical Study, Davis, California
Susan Helen Britton	Gardens on the Golden Edge
William J. Brunsky	Evergreen Park Senior Housing Complex
Raison J. Cain	Natural Resource Conservation for San Geronimo Valley
Nina Chuang	The Plan to Widen & Restripe Streets in Downtown Davis: Street Simulations
Timothy Coleman	Design Proposal: San Francisco Ferry Plaza
Cliff Coons	Out of the Car and Onto the Bike
Kendra Craven	Educational Landscapes: A Site Design for Salmon Creek Middle School
Heather Cruddace	Greenstreet Alternatives for Covell Blvd. and Pole Line Road, Davis, California
Tanya De la Jara	Visions Beyond Landscape: Alternative Perceptions of the Landscape in Art
Greg Desmond	Napa Ridge Trail: Closing the Gaps

Rich Francisco	Our Lady of Lourdes Community Park Design Concept
Suzi Hutsell	It Could Have Been Very, Very Beautiful: Exploring Lost Space
Joel A. Jensen	Hume Grove: A Native Memorial Garden
Stephen G. Kohlbeck	The Beatty Residence, Folsom, California
Vince Lane	Hyatt Regency: Johor Bahru
Rachel Ledri	Securing A Place: An emphasis on elderly care
Daniel Forrest Mauer	Transportation and Circulation: A Study in Davis
Eileen Nakahira	The National Tropical Botanical Garden
Joseph V. Nootbaar	The Central Corridor: Reclamation of Lost Space in San Francisco
Tamara Parman	Gateways
Teri Paulus	Yuba Donner Scenic Byway: Report, Nomination, Implementation
Michael Alain Pon	Desert National Gold Resort: A Planned Golf Community & Resort Hotel
Johnny Ribeiro	The Landscape Renovation of the Excalibur Hotel/Casino
Robert B. Schulze	A Xeriscape Design for PG&E Showcase Home
Daniel Sinagra	Chankanaab Marine National Park: Coral Reef Zoning Plan
Jay D. Stallman	Yolo Regional Open Space
Richard V. Thall Jr.	The Ricci Farm Agricultural Park

Chris Tow	(Videocassette) Untitled
Kathy Waymire	Stockrest Springs: Wetlands Management Study
Mitch Wilks	The Surface, The Core, and The Strawberry: Strawberry Creek Park

1991	
Dhetchai Allison	Garden Design URES Residence, Roseville, California
Sheri Brown	A Greenway for the City of Fremont, California
Monica Cardoza	A Vision for the City of Tulare: An Urban Design and Planning Study
Betsy Clark	Greenways for Piner & Paulin Creeks, Santa Rosa, California
Paul Fenner	Lake Forest Meadow: Restoration Project
Melanie Davis	Sutter Creek, California Today & Tomorrow
Tom Frye	The Developer's Handbook to Open Space
Ellen Harris	Native American Patterns Within the Landscape: A Language of the Anasazi
Christine M. Herron	Lupine Hill: Alternatives for Better Neighborhoods
Stanley Jarrel	Northern California Youth With a Mission: Site Amenities Enhancement Plan, : Richardson Springs, California
Julia Jones	Master Plan for Celestial Wheel Outdoor Field Laboratory
Brad Nelson	CAD System Development
Huan Nguyen	Atrium Design & Interior Design

Terri Paulus	The Urban/Wild Intermix
Jeffrey Perry	Yolo County Bypass Visitors Center
Rod Scacalosi	G.I.S. Survey for the City of Winters
John Tihanyi	3D Computer Animation of Revitalization of Auburn, California's Main Street : (Video)
Kathy Waymire	State Forest Management Plan: A Time for Change
Jen Worth	Urban Trails for Children in Davis
Lanette Woo	An Evaluation of Sacramento's Transit Oriented Development (TOD) Guidelines / Silver Springs Community Design

1990	
Karen Bloom	Sustainable Communities Report
Connie Clohessey	Downtown Auburn Data Base & Inventory for the City of Auburn, California
Dennis Day	Pollack Ranch Park Addition Plans for the City of Sacramento
Donia	Holly Court Community Greening Study for the City of San Francisco
Scott Houck	Goff Garden Design for the City of Davis, California
Todd Jordan	Student Farm Plant Science Education Center for the City of Davis, California
Vickie Jowise	Forestry Education Center Master Plan for the City of Plymouth
Gary Lai	Devries Garden Design for the City of San Francisco
Aimee LeCompte	Agricultural Water Conservation Study, Merced, California
Kern Leung	Yokohama Urban Design Competition, Kaigan Dori, Japan
Geri Leyva	Commercially Recycled Compost Style, Davis, California
Nohl Lyons	Shadowfax: Macintosh Shadow Mapping Applications
Matt Mailander	Mailander Garden Design, Livermore, California

Kendra Matlock	Underground...A New Frontier?
Greg Melton	Carnellian Bay Recreation Area Master Plan
Vicky Miller	Ford House Historic Landscape Renovation, Mendecino County, California
Greg Satterfield	South Davis Athletic Fields/Complex Master Plan, Davis, California
Ken Tam	Kappel Garden Design, Vacaville, California
Hsin Tu	Mariposa Mine Museum Feasibility Study
Evelyn Veverka	Village Park Landscape Design, Sacramento, California
Bob Zumwalt	The Canyon Master Plan for the City of Folsom, California

1989	
John Bush	Designing a Championship Golf Course
Tim Cunnnane	The Korean War Veterans Memorial National Design Competition
Judy Eisenstein	A Beautification Plan for Don Julio Junior High School, Sacramento, California
David Eng	The Korean War Veterans Memorial National Design Competition
Christine Fuller	Alternative Plan Areas for Main Avenue Elementary School
Linda Garrett	Urban Design for a San Francisco Alleyway
Amy Gilmore	Riverfront Park: An Urban Wildlife Sanctuary
Dennis Grunstad	A Neighborhood Park for Vacaville, California
Mike Hogenboom	The Rackwitz Residence: A Bay Area Home Landscape
Jeff Jones	Graphic Information Systems (GIS) for Landscape Architecture
Pat Jung	Rainforest Conservation Through Appropriate Agricultural and Community : Planning,Rondonia, Brazil
Jim Keenan	The Goleta Slough Inventory Study and Management Plan
Jodi Ketelsen	North Elk Grove: Community Planning for Mass Transportation and Pedestrian Use

Russell Link	Retrofitting Tract Homes for permaculture and Co-Housing in East Davis
Kelly Parker	A Right-of-Way Enhancement Project for Pittsburg, California
Kevin Ramsey	Master Planning a Recreational Community in Northern Idaho
Rafael Rios	St. Helena High School Sports Complex
Micheal P. Scheele	Landscape Architecture and the Computer Video Digitizing and Image Processing
Ken Stockton	Animals in Context: An Ecological Approach to Zoo Exhibitory
Cheryl Sullivan	Winters-Putah Creek Master Plan
Keith Suzuki	Creekside Nature Area Improvement Plan
Susan Thompson	Indian Rock Vineyard-A Planned Development
Sue Tofanelli	"Lake District" Master Plan, University of California, Davis
Tanya Wattenburg	Creating Interest in Revitalization: A Computer Simulation of Mainstreet, Greenville, California
Tricia Westbrook	Gentler Marks Upon the Land: Natural Management in Residential Communities
Wayne Wong	Ice House Block Master Plan, Visalia, California
Wayne Wong	Peace Garden

1988	
Nicholas Ancel	A Master Plan for the Dogpatch Community Garden, San Francisco
Gary Balcerak	Construction Documents for Discovery Place, North Carolina
Chris Baumann	CAD System Development for Landscape Architecture
Kevin Becker	Art of Downtown Housing: Seattle's Design Competition
Corrine Byers	Drainage Ponds for Recreation and Wildlife
Susan Callopy	Improving Senior Pedestrian Access on Fourth Street in San Francisco
John Franklin	A Master Plan for the Forestiere Underground Gardens Fresno
Katherine Grimm	Luis Barragan and the Synthesis of Mexican Architecture
Diane Hefner	Putah Creek Campground, Yolo County
Lise Helmholz	Auburn Residence Master Plan
Claire James	Site Planning: The Theory and Reality
Craig Kanaya	Choose & Cut Christmas Tree Farm
Mary McKenna	Private & Public Outdoor Spaces in Medium Density Housing

Felix Onukwugha	Urban Forestry: A Comparative Study of Residential Streets With and Without Trees
David Sorenson	Janesville Elementary School Landscape Improvements
Marvin Yee	Suffolk County: Vietnam Veterans Memorial Competition
Ed Yu	Landscape Architects & the Development Process

1987	
Kathleen Adams	Adams Residence: A Study of Site Design and Land Management in the Dunnigan Foothills
Karen Bramlett	Market Study of Available Services of Selected Commodities in the Town of Loomis
Michael Cavalli	Redevelopment Plan for Westmore Oaks Elementary School: The Playground; A Five Year Phased Plan
Yvonne Chin	A Garden Design for Hospice of the Monterey Peninsula: A Study of Hospice Care and Design Issues
Lacy Crider	Riparian Enhancement of Modern Drainage Systems, A Conceptual Plan for the Covell Ditch, Davis, California
Christopher Dundon	Xeriscape Demonstration Garden: Westminster High School
Marcela Escobar	A Longitudinal Study of Recreational Change in The Putah Creek Campus Reserve
